Cornerstone on Anti-Social Behaviour: The New Law is the essential source of reference to the new powers introduced by the Anti-Social Behaviour, Crime and Policing Act 2014.

As a practical guide covering the new anti-social behaviour toolkit introduced by the Act, it clearly explains how the new tools operate and how they may be used to best effect – through the use of case studies, practical examples and tactical advice. Looking at the toolkit, it explains what the new powers are, how they differ from the old system and how they can be applied in practice. It sets out the existing case law relating to ASBOs and ASBIs and considers the extent to which this will be relevant to the new powers.
