

Dear Friend,

**Australian Vision Zero Launch and Safety Governance in Practice half day conference – 22 August 2018**

We wish to recognise your company for their demonstrated commitment to Vision Zero, and invite you to the Vision Zero Launch and Safety Governance in Practice Event. The global launch of Vision Zero has provided an opportunity for nations, companies & business leaders to join forces with the United Nation's International Social Security Association to to commit to eliminating workplace deaths.

The launch for Australia is being held in Brisbane on 22<sup>nd</sup> August 2018 at the Safety Governance in Practice half day conference.

***As your company is already committed to Vision Zero you have the opportunity to secure tickets for a table of 10 to the event for a discounted price of only \$2500.***

At this unique half day event, international and national experts will explore safety governance and its impact on your business, your position as a board member, or operational leader and how you can lead for positive fiscal outcomes and best practice.

You will be provided with best practice case studies and solutions to govern safety risk, which will help you finesse your strategy on safety governance.

A portion of every ticket will be assigned to the Compassionate Friends Inc who provide support for families where there was a workplace death.

The event will be held at the iconic Customs House includes Breakfast and Morning Tea.

There is a powerhouse of presenters;

- **Gerard Forlin** – The most demanded workplace, health and safety barrister in the world today – acting on the Grenfell Tower enquiry, the MH370 and, Shoreham air disasters to name a few, will present on: The creation of industrial manslaughter laws and their implications to Australia.
- **Maria Saraceni**: How to be appropriately informed as a board member?
- **Jamie McPherson**: Crisis planning: How a board should prepare for fatalities
- **Matthew Stewart**: The true cost of musculoskeletal damage in Australian businesses

- **Jillian Hamilton:** Translating safety risk to your boardroom
- **Hans-Horst Konkolewsky:** Globalisation of safety and the launch of Vision Zero

To register for a table of 10 for \$2,500, please contact Carla at [gldevents@aicd.com.au](mailto:gldevents@aicd.com.au), with names and contact emails of attendees (together with any dietary requirements).
