

Diversity Data Report

May 2026

Overview

The Bar Standards Board requires that we publish our diversity data every three years. This data was collected in April 2026.

Data Collection Categories

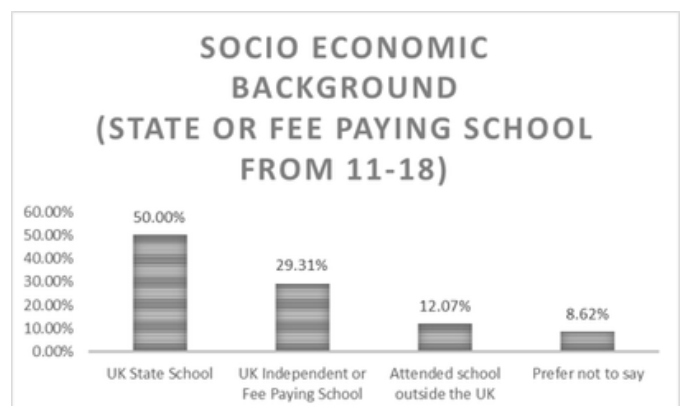

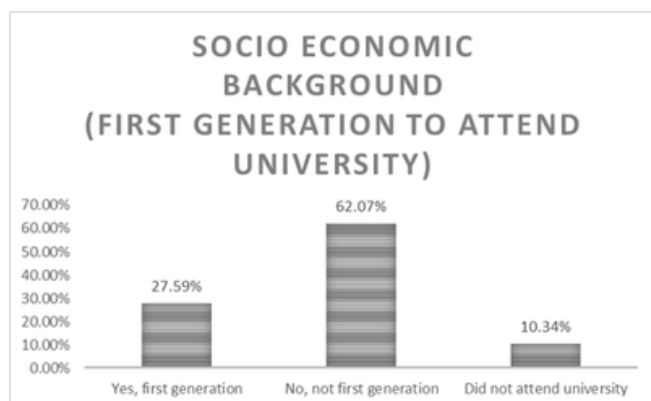

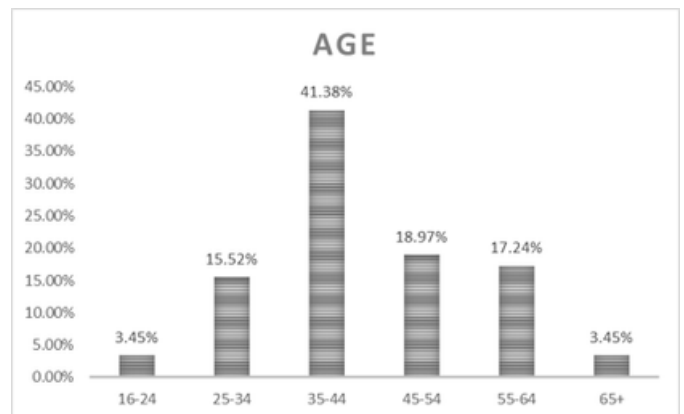

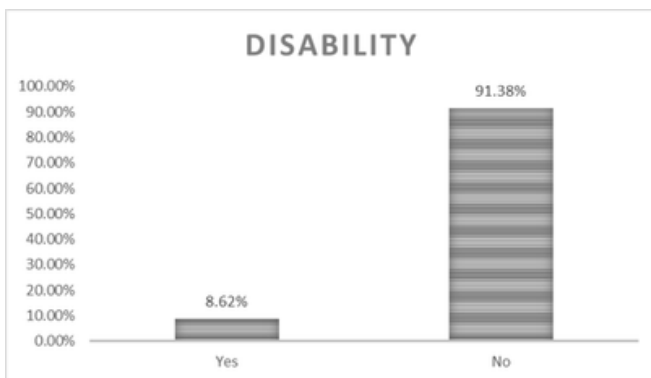

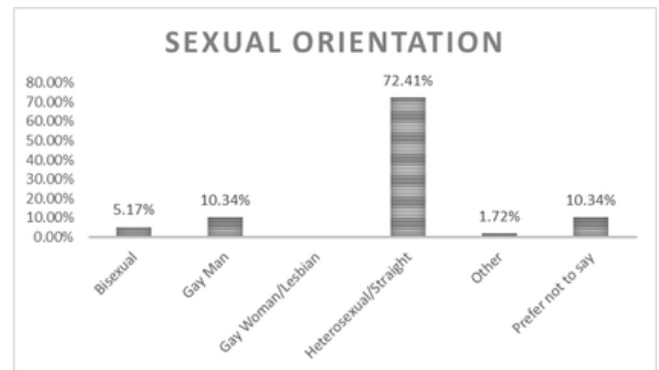

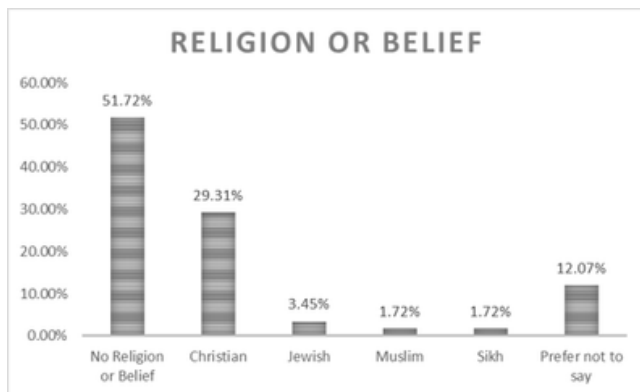

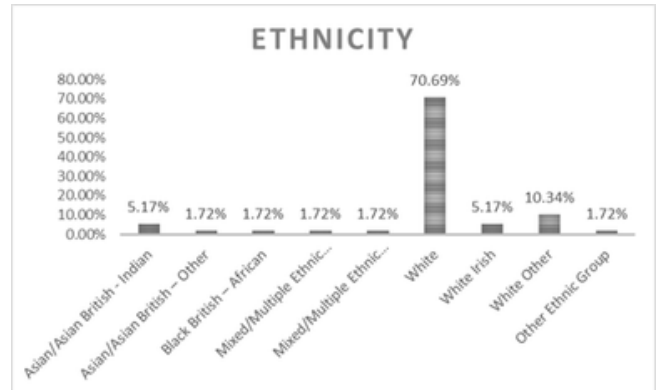

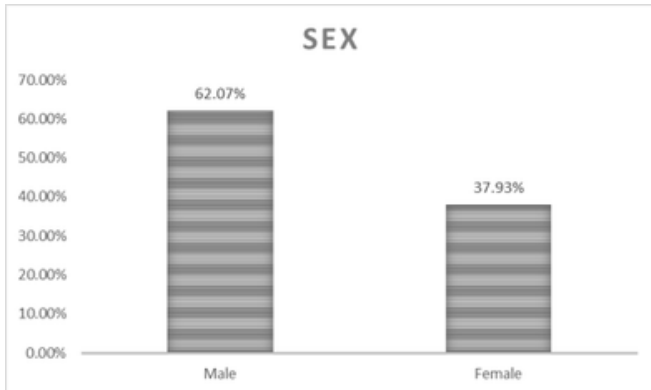

- Gender
- Ethnicity
- Religion or Belief
- Sexual Orientation
- Disability
- Age
- Socio Economic Background: first generation to attend university
- Socio Economic Background: state or fee paying school
- Caring Responsibilities: child's primary carer and time spent caring per week

The data is divided into all Cornerstone, all members of Chambers, KCs, non KCs and chambers' employees and workers.

The overall response rate was 72%. A number of individuals declined consent for their data to be published and their data has not been included in this report.

Data has not been included where less than 10 individuals in any one group have responded.
