Cornerstone on Anti-social Behaviour

Second Edition

Kuljit Bhogal KC

"A must read for any practitioner working in community safety … The added bonus is the resource section at the back, including template documents and fully reproduced guidance." Janine Green, Green & Burton ASB Associates

"This is an invaluable toolkit. It has clear and concise guidance, good precedents and a useful review not only the new act but also of how it overlaps with and enhances existing legislation." Law Society Gazette (of the previous edition)

With the introduction of the Anti-Social Behaviour, Crime and Policing Act 2014, victims of anti-social behaviour also now have tools to enable them to insist on a response to a problem where nothing seems to have been done. It sets out the following six tools which came into use from October 2014:

1. Injunction
2. Criminal Behaviour Order
3. Dispersal Powers
4. Community Protection Notices and Orders
5. Public Spaces Protection Order
6. Closure of Premises

Since the guidance was revised, there has been confusion within local authorities as to what the changes are, how their powers and orders should be adapted to comply with the new guidance. Providing analysis of the revised guidance with commentary explaining what the changes are and what they mean for those working in this area, the second edition of *Cornerstone on Anti-social Behaviour* remains the first port of call for every one working in the area of, and carrying out ASB work.

"[It] stands out as being an essential companion for everyone working in this field. I can honestly say that, in our area, successful partnership working leading to effective court orders has been entirely due to Kuljit's book – she is indeed the true queen of ASB."

Mrs Jane Redman, Principal Solicitor Litigation, Three Rivers District Council

About the author

Kuljit Bhogal KC (Cornerstone Barristers) is ranked for Social Housing Law and Local Government Law in *Chambers and Partners* and for Social Housing Law in *Legal 500*. She acts predominantly for local authorities, housing associations and health bodies. In her private sector work, she acts for private landlords, housing associations and developers.
