

Cornerstone in Brighton: The CIH South East Conference

In March, Cornerstone Barristers exhibited at the CIH South East Conference in Brighton. Each day of three day event, our barristers, and members of our clerking and events teams were on hand to meet with some of the 1200 delegates the conference attracts each year. It was an excellent opportunity to make new contacts and catch up with so many of our existing and valued clients. Thank you to everyone who visited our stand.

The Cornerstone team

As well as manning the stand in the exhibition hall, Dean Underwood gave a Housing Law Update to the conference. Dean spoke alongside Mike Owen from Capsticks and Amy Cheswick (CIH Board Member). The session provided a legal update on the main issues facing the sector, including welfare reform, ASB and tackling tenancy fraud.
